Julius Segovia, persona non grata na sa Butuan City.

### **Bombo Lilibeth Ruiz**

GMA-7 reporter na si Julius Anthony Segovia, idineklara ng persona non-grata sa Butuan City

BUTUAN CITY – Ikinatuwa ng mga partisipante lalo na sng mga magulang ng mga elementary pupils na sumali sa national seminar workshop on photo journalism ang pagdeklara ng Sangguniang Panlungsod nitong lungsod ng Butuan, kay GMA-7 reporter Julius Anthony Segovia na persona non-grata.

Ang hakbang ng Butuan City council ay tugon sa pormal na reklamong inihain ng mga magulang ng 9-anyos na bata kahapon na pinagalitan at pinahiya umano ni Segovia sa harapan ng mga dumalo sa seminar workshop na isinagawa nitong lungsod ng Butuan.

Ito'y kaugnay sa pagkuha ng larawan ng nasabing bata kay Segovia na inaantok sa kalagitnaan ng kanyang pag-lecture sa harapan mismo ng tinatayang isang daang mga guro at mga mag-aaral na sumali dito.

Sa interview ng Bombo Radyo Butuan, inihayag ni Rex Ybañez, ng Caraga Youth Leaders Network at organizer sa nasabing seminar workshop, ikinatuwa nila ang inapubahang resolusyon matapos ang joint committee hearing sa komitiba nina City Councilor Ramon Carampatana at Rema Burdeos.

Napag-alamang maliban sa naturang deklarasyon ay kinondena din ng mga opisyal ang testimoniya ng mga reklamante kungsaan nagpalabas umano ng mga salita si Segovia na parang nag-discriminate sa mga Butuanon.

Habang sa nai-post na mensahe ni Segovia sa kanyang Facebook account, pinabulaanan nito ang nasabing mga alegasyon sabay paliwanag na hindi umano siya ang taong papahiyain at pagagalitan ang mga bata.

Ang kanyang pahayag ay kabaligtaran ng inihayag ng mga nakasaksi sa nasabing insidente at dahil sa plano ng pamilya ng bata na sasampahan siya ng kaso, kung kaya't sa korte na umano ihahayag ni Segovia ang kanyang panig. (Beth Ruiz)

Man unapologetic for fooling Jollibee delivery

guy [INQUIRER.net](http://INQUIRER.net)

| July 5, 2015 at 6:58 pm

A FACEBOOK user who was scored for bragging about how he fooled a Jollibee delivery man is not saying sorry. Going by the name of "Jay Bee," the man claimed that he ordered some food at Jollibee. The fastfood chain implements a strict 20-minute

delivery policy and failure to comply with this will force the food chain to give the customer P200 worth of gift certificates. However, the man made sure that the delivery to his unit will arrive late by pretending not to hear the lobby receptionist calling him. Due to his devious tactic, he only paid P66 pesos for an order of spaghetti, fries, chocolate sundae, and Champ burger. “Pero ang totoo hindi naman talaga late, di ko lang sinasagot ang tawag ng receptionist sa baba, dun pa lang hold na siya. After 1 minute sinagot ko, pagdating sa unit ko, of course late. Hahaha,” the man bragged. (The truth is, the order was not late. I just did not answer the call from the receptionist so that’s why he was already stalled. After 1 minute, I answered the call and when the order arrived in my unit, of course, it was already late.) He was unfazed even if a friend told him that the delivery guy will have his salary deducted due to his deed. With his post going viral, the user remains unapologetic, even flashing a middle finger to his “fans.” He also thanked netizens for making him famous, even hoping that he will be invited as a guest in the Ellen DeGeneres show. “Sa lahat ng fans ko all over the world, salamat ng madami sa biglang pagsikat ko.. hoping na makarating to kay ellen degeneres para naman makapag-guest ako sa show nya.. mga sikat ang invited nya eh.. sa lahat ng bashers ko dyan, natural lang sa isang sikat na magkaroon ng bashers, pero thankful parin ako at lalo nyo ako pinapasikat..” he said. (To all my fans all over the world, thank you very much for my newfound fame. I am hoping that I will be invited as a guest to Ellen DeGeneres’ show because only famous personalities are invited as guests. To all my bashers, it is only natural for a famous person to have bashers. I am thankful that you only make me more popular.)

Deez Nuts, a 15-year-old high school sophomore from rural Iowa, is running for president ... and he's already proving to be serious competition for frontrunners Donald Trump and Hillary Clinton.

Nuts is running as an independent ... and when his name showed up on a poll in North Carolina he pulled in 9% of the vote.

The kid's real name is Brady Olson of Wallingford, Iowa, according to the Daily Beast. He's the son of a farmer and a dental assistant ... apart from that little is known about the presidential hopeful.

Deez Nuts' has a big problem ... he's 20 years shy of reaching the eligible age.

A RANT ABOUT MEDIA FROM A CONCERNED 18 YEAR OLD LADY: (<https://www.youtube.com/watch?v=VYsxx5ECIW4>)

(Author's note: Wag mo ng basahin kung isa kang jejemon, pabebe, fuckboy, at higit sa lahat may makitid kang utak. Wag ka na din mag-comment kung magpapapansin ka lang, kasi pasisikatin talaga kitang hayup ka.)

Kapamilya talaga ako, pero nung napanood ko 'to, hindi ko alam kung anong mararamdaman ko. Sige, sabihin man nating shinoshowcase nila 'yung talents nila sa show na ito, hindi pa rin 'to tama. Dalawang beses na 'tong pinapasayaw sa Showtime. HINDI NA NAKAKATUWA.

Una, si Ella Cruz. I know, she can dance. Pero puro twerk na lang basasayawin niya sa lahat ng shows na pupuntahan niya? Bata pa siya para magsayaw ng kalaswaan. Nagiging epitomy of fuckgirls na siya.

Pangalawa, etong si Anne. I'm a fan. A big fan. Wala namang masama na sumayaw siya ng ganito. Utos lang din naman ng director nila 'to (feeling ko lang), but, NOT PROPER FOR A NOON TIME SHOW NA MAY MGA BATANG NANONOOD. Patutuwadin niyo sa harap ng mga tao, at itatapat pa ng camera sa mga pwetan ng mga dancers niyo at sa pwet ni Anne. Nasaan ang respeto niyo sa mga babae? This is not even moral anymore. 'Di ko alam kung bakit wala pang aksyon ang MTRCB dito.

This is not what you call sexy, madafakas.

Kaya ang daming kabataang nabubulag ngayon tungkol sa ideya ng sex, club hopping, drugs, etc. Trese anyos palang umiinom na, nagka-club na?! Tapos 'yung mga kasuotan tila nakahubad na sa karampot na tela ng damit nila. WALA PANG ALAM SA MUNDO ANG MGA BATA. Kaya ang mga lalaki ngayon, kahit 'di pa college, manyak na. Kasi, nagpapakaliberated na ang mga kabataan ngayon. 'YUN ANG NAKIKITA NILA SA TV, SA SOCIAL MEDIA, SA INTERNET.

Hindi ba dapat ROLE MODEL ang mga artista, kasi sila yung hinahangaan eh. Sila yung laging nakikita, napapansin. Sila yung GINAGAYA.

Di naman kasalanan 'to ni Anne o ni Ella. They're just used for business. Kasalanan 'to ng p\*\*\*\*\*inang media. Nice job, ABS-CBN. Kung nagfa-flop ang ratings niyo, 'wag niyong idaan sa literal na pagbebenta ng mga artista niyong babae.

P.S. Alam ko namang walang may pakialam, naglabas lang ako ng sama ng loob. Wala din naman akong pakialam kung 'di mo babasahin.

Wikipedia blocks accounts linked to paid edits

September 3, 2015 11:03am

Wikipedia on Wednesday said that it has

blocked more than 300 accounts being used by people being paid to create or tweak entries at the communally sourced online encyclopedia.

Weeks of investigation revealed 381 accounts being used at the English version of Wikipedia for "black hat" editing in which people took money to promote outside interests without disclosing they were on someone's payroll, according to a blog post.

Wikipedia is powered mostly by volunteers and bars paid advocacy that is not disclosed, such as in the case of museums or universities having employees tune entries related to exhibits or institutions.

"Neutrality is key to ensuring Wikipedia's

quality," Ed Erhart and Juliet Barbara of the nonprofit Wikimedia Foundation said in the blog post.

"Although it does not happen often, undisclosed paid advocacy editing may represent a serious conflict of interest and could compromise the quality of content on Wikipedia.

"Along with blocking the 381 "sockpuppet" accounts, Wikipedia editors deleted 210 articles created by people using those accounts. There was a potential for more entries to be removed as the investigation continued. "Most of these articles, which were related to businesses, business people, or artists, were generally promotional in nature, and often included biased or skewed information, unattributed material, and potential copyright violations," Erhart and Barbara said. "The edits made by the sockpuppets are similar enough that the community believes they were perpetrated by one coordinated group." The accounts identified in during the investigation were used from the end of April to early August, but the nature and quality of the nature and quality of edits suggested that the paid-scheme was operating "for some time" before being discovered, according to Wikipedia. A team of volunteers tends to Wikipedia entries, which rely on crowd-sourcing for accuracy. "Editing Wikipedia is completely free, and only requires compliance with the project's editorial guidelines," Erhart and Barbara said. "No one should ever have to pay to create or maintain a Wikipedia article." — Agence France-Presse

(From Bombo Radyo Philippines)

CdeO brodcasters sibak dahil sa kinaing lechon?

CAGAYAN DE ORO CITY- Magsasampa ng kaukulang kaso ang tatlong media practitioners na umano'y illegally dismissed ng himpilang Radyo Ultra na nakabase sa Barangay Carmen,Cagayan de Oro City.

Ito ay matapos kinain nilang walang pahintulot ang libreng ibinigay na litson baboy na mula sa anak ni City Mayor Oscar Moreno.

Sa panayam ng Bombo Radyo,inihayag ni Fred Dellava na sila'y labis na nadidismaya sa ipinataw na kaparusahan ng kanilang management na humantong sa pagkatanggal ng trabaho dahil lamang sa isang kaunting pagkakamali.

Sinabi ni Dellava na humingi na sila ng tawad sa may-ari na si Maria Clarisa Gualberto Suan dahil sa pagkakamali subalit illegal dismissal ang isinagot sa kanila.

Kaugnay nito,dumulog na sila sa National Labor Relations Commission Arbitration Northern Mindanao upang humingi ng tulong at makamtan ang umano'y ipinagkait na hustisya sa kanilang sinapit.

Kasamang sinibak sa trabaho ay si Edgar Navarro habang nag-resigned naman sina Ernie Balagot at Reyland Espinosa.

Kaugnay nito,sinikap ng Bombo Radyo na makunan ang panig si Suan subalit hindi nito sinagot ang mga tawag ukol sa usapin.

Inihayag naman ni Frank Mendez na siyang station manager ng himpilan na 'no comment' ito sa

nangyari sa dati nilang mga tauhan.

Una rito, kinastigo ng husto ng Cagayan de Oro Press Club (COPC) at National Union of Journalists of the Philippines (NUJP) Northern Mindanao ang ginawa ng himpilan laban sa kanilang dating mga empleyado.

Napag-alaman na nangyari ang "lechon issue" isang araw ang nakalipas nang ipinagdiriwang ang kapistahan ni Sr San Agustin na patron ng lungsod noong petsa 28 ng Agosto 2015. (BOMBO RADYO CDO)

Joshua Jimenez plot twist: cancellation

**Christian Añasco** Ang minimum na longevity ng isang noontime show ngayon is 2-3 years. Showtime was a pre-noontime show for 3 years. Then naging noontime for 3 years now. Eh the last ABS noontime show na nagtagal at pumatok was Wowowee na na-cancel lang dahil sa interal issues. And with the way how Showtime is doing now, hindi malayong mangyari ang cancellation nito.

"Ganito ba talaga ang tadhana natin, Paco? Kalaban ang kalaban, kalaban ang kakampi? Nakakapagod."

-Heneral Luna

Ikinalulungkot po naming sabihin na may lumabas na pong 'pirata' ng [HENERAL LUNA](#). Oo, naiintindihan namin na may mga Pilipinong walang pang sine pero alam din naman nating lahat na ang mga bumibili ng mga piratang dvd ay may pang-sine naman talaga. Nakakadismaya. FYI lang po sa mga hindi nakakaalam: Balak po nilang gumawa ng trilogy kung maabot nila ang break even na kita na 200M. Pero paano nila ngayon maisasabuhay ang kasaysayan nina Gregorio Del Pilar at Manuel L. Quezon kung yung ipang-dadagdag sana nila sa budget ng produksyon ay mapupunta lang sa kamay ng mga sindikatong mayayaman dahil lamang may mga Pilipinong ayaw suportahan ang isang dekalidad na pelikula na gawa din ng mga kalahi nila. Hindi tayo uunlad sa ganito kung pati tayo nag-iisahan, naglolokohan at nag-aagawan. Ang lakas nating mangbintang sa mga politiko na mga magnanakaw sila pero hindi natin kayang aminin sa mga sarili natin na tayo rin naman ay gumagawa nito minsan. Ang pamimirata ay isang uri ng pagnanakaw. Kung nasisikmura natin itong gawin sa mga dayuhang pelikula, pati ba naman yung mga pelikulang gawa dito sa atin? Totoo nga ang sabi ng heneral na may mas malaki tayong kaaway kaysa sa mga Amerikano: ang ating mga sarili. Ipinaaalam po namin sa inyo ito para hikayatin kayong huwag bumili at sabihin din ito sa lahat ng kilala ninyo. Pinatay na natin si Heneral Luna dati, huwag na nating ulitin. Pakiusap.

Whenever my parents want or plan to buy a movie, I always remind them to go to "original" video stores like Odyssey, AstroVision, Astroplus, etc. We used to buy pirated DVDs in Colon St. in 2007, but 2-3 years later, I began reminding my parents to stop buying from "pirated" stores upon finding out in an old VRB (Videogram Regulatory Board) PSA that patronizing pirated CDs and DVDs killed a lot of entertainment-related industries. I guess that PSA was released in 2003 or 2004.

Pinatunayan ng AlDub at ng Eat Bulaga! na hindi lamang sa Twitter sila nagdodomina kundi maging sa TV ratings din. Ang episode ng Eat Bulaga! ng GMA noong Sabado, Sept. 26, kung saan umakyat ng ligaw si Alden Richards kay Yaya Dub, ay nagtala ng nakamamanghang 45.7%, ayon sa overnight ratings ng AGB Nielsen sa Mega Manila households. Samantalang ang It's Showtime ng ABS-CBN ay nakapagtala lamang ng 11.9%, sa kabila ng pinagsanib na puwersa ng Kapamilya stars.

The 2015-2016 PBA Season will start on October 18, 2015 with the opening ceremonies at 3:00 pm with performances by El Gamma Penumbra, Junior New System and Abra, plus the traditional parade of the 12 PBA teams and their muses. Then a lone opening game will follow at 5:15 pm between Rain or Shine ElastoPainters vs. Star Hotshots. Both RoS and Star will parade some new faces and acquisitions especially RoS's surprise first round rookie pick Maverick Ahanmisi and Mark Cruz will definitely won't play yet for Star because of the ongoing playoffs of NCAA Season 91, while the Hotshots fans will expect something new as new Star head coach Jason Webb will apply a new strategy and system to the team in order to turn things around after a so-so performance last season...

samantala, nananatiling walang bahid ang record ni "Prince" Albert Pagara matapos ang 6th round knockout nito sa kalabang si William Gonzales, habang pinatumba rin nina Jason Pagara at Mark Magsayo ang kani-kanilang mga katunggali sa mga naunang undercard.

Pinatikim ni "El Niño" Pagara ng knockout si Santos Benavides sa 2nd round habang ginulpi ni "Magnifico" Magsayo si Yardly Suarez upang umiskor ng TKO win at manatiling undefeated!

nauna nang inanunsyo ng UAAP na di tuloy ang mga laro ngayong araw na ito (UE vs. UP, FEU vs. DLSU) dahil sa masamang panahon dulot ng pananalasa ng Bagyong Lando. inihayag na rin ng PBA na ang nakatakda sanang opening ceremonies ngayong 3 pm sa Smart Araneta Coliseum at ang laro sa pagitan ng Rain or Shine at Star Hotshots ay di matutuloy ngayon, pero irereschedule yun sa Wednesday, October 21, 2015 sa Mall of Asia Arena.

third time sa history ng Pinoy Big Brother na ang BIG NIGHT ay gaganapin sa labas ng Metro Manila, at yun ay ang gaganaping PBB 737 BIG NIGHT sa Albay Astrodome. ang mga naunang edisyon ng Big Night na ginanap sa labas ng Manila ay ang kauna-unahang PBB Big Night sa Clark Expo sa Pampanga noong 2005 at ang PBB Teen Edition 4 noong 2012 sa Malolos, Bulacan!

ang PBB 737 Big Night din ang kauna-unahan na Big Night na gaganapin ng higit sa isang araw, dahil ang big night na yun ay gaganapin sa November 7 at 8! [#PBB737](#)

The Statement of Nuevo Filipinas on Miriam Santiago and EDCA.

Today, We fully withdraw the Endorsement of Miriam Santiago as Presidential Candidate due to her Position on EDCA and We Fully Decided that there will be No Presidential Endorsement and will focus on Candidacy of Leni Robredo as Vice President as well as our Senatoriables.

The PH-US [#EDCA](#), being an implementing instrument of the PH-US [#VFA](#), is an executive agreement that does not require Senate concurrence.

We fully salute Senator Trillanes for his Opposition on Miriam's Resolution, He is Truly a Patriot against China's Aggression.

We also show our extreme Disappointment on Presidential Candidates like Miriam for her Opposition to EDCA as well as Senator Grace Poe.

However, Our Withdrawal of Endorsement is Temporary until Further Notice, If EDCA was Declared Unconstitutional and Senate disapproved EDCA, We will Permanently Declare Miriam as our Enemy alongside the Makatsina Group of Traitors and We will No Longer Endorse Her as President for 2016.

(In this Photo, Senator Miriam Santiago with Communist Pro-China Traitor Teddy Casino and Other Anti-EDCA Personalities)

Bago pa man matapos ang taong ito, bubuksan ng SM at Robinson's sa publiko ang kanilang mga malalaking mall sa Cebu City.

[November 18 at 4:29pm](#) · [Edited](#)

2 giant malls to open here

CEBU CITY, Philippines - Before the year 2015 will end, this Queen City of the Philippines will have at least two new gigantic one-stop shopping and dining destinations.

On Friday November 27 SM Prime Holdings will open the SM Seaside City Cebu located at this city's South Road Properties. It is their largest mall in the Philippines dwarfing the SM Mall of Asia and SM Mega Mall. It is also regarded as the 4th largest mall in the world.

The SM Seaside City Cebu has a giant cube located in front of their main entrance. The cube symbolize the durability and strength in tribute for the Cebuano's' traits and resilience.

The mall is a 5-story circle-shaped shopping and retail haven including its basement and multiple anchors. It is comprised of a 2-story Department Store, at least five Theatre Cineplex and Imax Theatre, several retail stalls, food court flanking an ice skating rink, and an 18-lane SM Bowling and Amusement Center, among others.

Designed by American-based company Arquitectonica, the mall is the third SM Mall in Cebu after SM City Cebu in Barangay Mabolo this city and SM Consolacion.

In the meantime, the Robinsons Land Corporation's (RLC) 38th and biggest mall outside Metro Manila dubbed as Robinsons Galleria Cebu located in the North Reclamation Area of this city is set to open on Thursday December 10 this year.

During its groundbreaking ceremony in July 2012, Cebu City Mayor Michael Rama who graced the event underscored, "Robinsons Galleria is like a beautiful flower added to the beautiful garden - the City of Cebu," adding that when he entered government in 1992 he promised to do something to help improve the condition of the city's North Reclamation Area.

He added that the P100M allocation for the road concreting and asphaltting project in this particular area made those promises a reality. What was once a neglected area which will become muddy especially during rainy days has been revitalized to its better condition and appearance.

In an interviewed with the BARUGG News and asked about why they will put up their biggest mall in Cebu considering the saturation of malls in the city, RLC President Frederick Go said that they are confident in ramping up such investment in Cebu City because they believe in its robust economic growth, a vibrant retail industry and a booming tourism sector.

Robinsons Galleria Cebu will be the third RLC Mall in the city after the Robinsons Fuente and Robinsons Cybergate. The Php5 Billion edifice will be a mixed-use development which include the first Cebu branch of gohotel.ph as well as office spaces for business process outsourcing firms.

The 7-storey commercial building will rise on a 4.6 hectares lot along General Maxilom Avenue and will have a gross floor area of about 156,000 square meters (SQM). The hotel will have 153 rooms, the BPO offices will occupy three floors with over 9,000sqm of leasable space, while the mall will have a gross leasable area of 56,000sqm spread on four levels.

Meanwhile, concerned offices are still working to have routes of public utility vehicles to serve in the areas of the two giant malls including the SM's MyBus in its proposed High Quality Public Transportation System or HQPTS.

Furthermore, special giveaways and freebies are up for grab for the first few customers during the opening day of the two giant malls. (Cebu City Public Information Office PIO/Greggy Jiggs P. Senados)

I don't know why Kabataan Partylist hates "no bio, no boto" and finally gave in to SC's ears. Aren't they anti-technological or anti-progressive? Biometrics help an individual to secure one's identity and to prevent voting twice.

Sa totoo lang, sila rin yung nagpetition ng extension ng registration sa last minute. Ano ba talagang ginagawa within the registration period? Gumagawa ng effigy at susunugin sa kalsada, sumasanib sa rally kontra APEC, just to name a few.

TBH, the consequences of dagdag-bawas and flying voters make me cringe and lose hope and get crucified for 3/6 years for electing one or more wrong candidates courtesy from these.

I am disappointed in the decision of Comelec's 2nd Division, but this is not the end of the process. We will continue to fight for the rights of foundlings and the fundamental right of the people to choose their leaders.

I maintain that I am a natural born Filipino and have complied with the ten-year residency requirement based on settled applicable jurisprudence.

My critics will use any excuse to exclude me, much like they tried to do when FPJ ran for president, and in the process disenfranchising the people as well. They show a lack of trust in the ability of Filipinos to make the right decision.

I have faith in the process, and we are confident that the Comelec en banc will side with the interest of the people. [#LabanPOE2016](#)

**[John Uriel Cabarrubias](#)** I'm okay with that. The issue with that FTA is the copyright provisions and as well as the some failures of NAFTA agreement. It's been discussed that issue by not just some internet advocates, but also by far-leftist groups (like Mabayan). But since the Philippines is a US ally, probably we should ignore that issue because the ordinary Filipinos want original, not pirated content/things/etc. and they hate China due to their claim that they steeling things. To pass that, change the economic policy, federalize the state, pass RH bill to reduce poverty, discipline, public housing and shift to parliament system. Apparently there's an advocate group which they have that some of same principles to change our country which I will not mention here.

**[Timothy John Liwanag Paragas](#)** We have passed the RH Law. I agree with the public housing and urban planning but I don't mind about amending the political system but I'll advocate the stable political party system and full transparency.

Admit it, based on your behavior, you are a die-hard, outspoken apologist to that advocate group founded by your compatriot. But you are not the only one who had that sentiment.

[John Uriel Cabarrubias](#) I'm okay with that. The issue with that FTA is the copyright provisions and as well as the some failures of NAFTA agreement. It's been discussed that issue by not just some internet advocates, but also by

far-leftist groups (like Mabayan). But since the Philippines is a US ally, probably we should ignore that issue because the ordinary Filipinos want original, not pirated content/things/etc. and they hate China due to their claim that they stealing things. To pass that, change the economic policy, federalize the state, pass RH bill to reduce poverty, discipline, public housing and shift to parliament system. Apparently there's an advocate group which they have that some of same principles to change our country which I will not mention here.

**[Timothy John Liwanag Paragas](#)** We have passed the RH Law. I agree with the public housing and urban planning but I don't mind about amending the political system but I'll advocate the stable political party system and full transparency.

Admit it, based on your behavior, you are a die-hard, outspoken apologist to that advocate group founded by your compatriot. But you are not the only one who had that sentiment.

Sinaunang mapa ni Piri Reis, saan nga ba nagmula?

N5E | Ipinagtataka ng propesor na si Charles H. Hapgood, mathematician na si Richard W. Strachan, at iba pang mga akademiko kung paanong nagawang eksakto ng Ottoman admiral at cartographer na si Piri Reis ang kanyang mapa noong 1513. Hindi nila lubos maisip kung paano ito nagawa bagama't wala pang mataas na uri ng

teknolohiya't sasakyang panghimpapawid noon. Dahil dito, ipinagpapalagay ng ilan na nanggaling ito mula sa mga nilalang na bumaba mula sa langit. Ang detalye diyan ihahatid sa inyo ni Deah Ricacho. [Joshua Jimenez](#) Di naman kasi lahat ng US troops ay ganyan, and even Americans are fed up with their system (the surge of support for Sen. Bernie Sanders). I disagree with Pia's answer too but we must have a pragmatic approach, instead of hosting US troops we should spend more on acquiring their state of the art military equipment like the F16 and the Abrams tanks, at the same time research for home-made weapons. US-PH relations must be upgraded from a vassal-client relation to an equal partnership.
